Model:

Age:

What is wrong:

Estimated weight in Kg:

Fixed: ☐ Yes ☐ No

Repairable but:

☐ More time needed

☐ Professional Help

☐ Do it yourself

End of useful life: ☐

HOW WILL YOUR ACTIONS OR ATTITUDES TOWARD THE ENVIRONMENT CHANGE AS A RESULT OF VISITING THE REPAIR CAFE?

Please take pictures and share! We're on Facebook and @repairglasgow on Twitter & Instagram.

1. All repairs carried out at Repair Cafe Glasgow (RCG) are performed at the visitor's own risk. The advice and repair service is conducted by volunteers free of charge, but donations are welcome to cover costs.
2. Dangerous tools and equipment may be present and sometimes used in repairs. Visitors must take reasonable health and safety precautions.
3. Parents must both exercise control over, and be responsible for, the behaviour of their children whilst visiting RCG.
4. One registration form per person (or family) must be completed before any repairs can be attempted. All information is treated with confidence in accordance with UK data protection regulations. Providing us with an email address will help us keep in touch & if you tick the box on the front we will sign you up for our occasional newsletter.
5. Visitors are encouraged to remain with the repairer to witness how the repair is being done and pick up new/brush up on existing skills. Items should not be left with the repairer and collected at a later time unless agreed between the item's owner and repairer, and neither the repairer nor RCG assume responsibility for safe-keeping.
6. Neither the organisers of RCG nor the repairers in personal capacities or otherwise are liable for any loss or injury whatsoever that may result from any repair carried out or for any advice or instructions given and used at a later date.
7. Neither the organisers of RCG nor the repairers in personal capacities or otherwise are liable for any accidental damage that may occur to either visitors' goods (including vehicles) or personal effects during visitors' time at the sessions.
8. The visitor is responsible for providing any consumables such as leads, plugs, fuses, zips, etc. that may be needed to fully complete a repair. In some cases RCG may provide such materials and the visitor is encouraged, not required, to provide a donation to cover the cost of the materials.
9. Repairers offer no guarantee for any repairs carried out and are not liable if any repaired items do not work properly at home or break down again in the future.
10. After making an initial assessment of an item, repairers are fully entitled to use their discretion and refuse to repair an item should they so decide.
11. Visitors are responsible for the removal of all items that cannot be repaired.
12. One item per person will be examined; time permitting, extra items may be considered.
13. RCG takes no responsibility for any item, repaired or otherwise, once it has left the premises.

I have read, understood and agreed to abide by the above house rules / disclaimer.
